S.B. CIVIL PETITION No.2599/1994.
(JOGINDER SINGH & ORS. VS. STATE & ORS.)

DATE OF ORDER : 02.05.2007.

HON'BLE MR. GOVIND MATHUR, J.

Mr. A.K. Rajvanshy for the petitioner.
Mr. Shyam Ladrecha, AGA, for the respondents.

The respondent Rajasthan Public Service Commission under a notification dated 23.07.1993 invited applications from eligible desirous candidates to be considered for appointment as Assistant Engineer (Civil) against the existing 17 vacancies. Looking to large number of candidates, a screening test was conducted by the respondent Commission for the purpose of short listing. The petitioner by this petition for writ has challenged correctness certain questions asked in the Screening Test referred above.

In reply to the writ petition, while emphasizing correctness of the question papers concerned, it is stated by the respondents that entire selection proceedings have been completed and appointments have also been given to the selected incumbents.

In view of the fact that appointments have already been given to the selected incumbents much back in the year 1994, I do not consider it appropriate to interfere with selection proceedings at this belated stage in the year 2007. As such, without entering into the merits of the case, this petition for writ is dismissed.
